Schools were estimated at only 51,000. As this limit has been already exceeded it is for consideration if the financial condition of the State permits of further Expr in this direction.

10 The Expr allowed in this forecast order was the maximum which the State could incur + that too, with the greatest difficulty Since the correct that order many items of Expr not contemplated by that order have been sanctioned and the financial condition has deteriorated due to floods + other causes as well. To meet all the items of Expr already sd is itself a difficult task and it does not therefore seem to be possible to add to a sum of over 10,000 to recurring Expr as is now proposed.

11 The scale of charges proposed corresponds to the scale sd for the other Schools but the pay of the Headmaster remains at 50-70 like the pay of the HD Masters in the other Schools is sanctioned.

OFFICE OF INSPECTOR-GENERAL OF EDUCATION IN MYSORE.

No. 15208/690

Camp Mysore, *Bangatore*, 9th March *1915*.

From

M. SHAMA RAO, ESQ., M.A.,

Inspector-General of Education in Mysore.

To

W.S.Balasundaram Iyer Esq. B.A.,

Secretary to the Government of H.H.the Maharaja of Mysore,

Departments of Education and Agriculture, Bangalore.

SIR,

With reference to your D.O.No.638/E.A., dated the 13th October last, I have the honour to submit detailed proposals for the opening of a District Normal School at Bangalore similar to those existing at Kolar, Shimoga and Tumkur. The school at Bangalore is intended to train 60 teachers who are already in service and about 20 private candidates or teachers of aided schools, total 80. The total recurring cost of the school as shown in the appended statement amounts to Rs. 10121 per annum and is distributed under the following heads:-

1. Staff - - - - - - - - - - -	Rs.	3301-0-0
2. Contingencies - - - - - -	"	120-0-0
3. Rent for the school building	"	810-0-0
4. Allowances to substitutes	"	5760-0-0
5. Furniture and Library - - -	"	100-0-0
	Rs.	10121-0-0

A non-recurring grant of Rs.1000 for initial equipment will also be needed.

A Hostel has also to be opened for the convenience of the tea[illegible] and for this purpose a sum of Rs.50 a month to engage a building and a sum of Rs.65 a month for establishme[illegible] details given in the

the appended statement, total Rs.115 per mensum or R.1380 per annum, and a lumpsum of Rs.300 for the initial equipment of the Hostel, may also be sanctioned.

Thus the total amount required will be as follows:-

Recurring charges (annual):-

School - - - - -	Rs.	10121-0-0
Hostel - - - - -	"	1380-0-0
	Rs.	11501-0-0

Non-recurring charges(lumpsum):-

School - - - - -	Rs.	1000-0-0
Hostel - - - - -	"	300-0-0
	Rs.	1300-0-0

I beg to point out that in the current year's budget a sum of Rs.5645 is provided under the head (5) Government Schools Special(VI) Normal Schools (b) District Normal Schools, towards the cost of opening two more Normal Schools. But as the new Normal School at Bangalore will be started from 1st June 1915, out of the Rs 1300 amount provided in the budget ~~Rs.1200~~ will be utilized for non-recurring expenditure and the balance will be surrendered to Government. Under these circumstances the recurring amount of Rs.11501 required for the opening of a District Normal School at Bangalore may be ordered to be provided in the Budget of 1915-16 and permission granted to open the school from the 1st June 1915.

I am of opinion that the question of opening a Normal School at Chitaldrug may be taken up next year. At present it will be difficult to find substitutes for a large number of teachers in the Chitaldrug District.

I have the honour to be,

Sir,

Your most obedient servant,

H. Shama Rao

Inspector General.
